## A Brand New Year of Venturing

This is a brand new year of Venturing! (even if it is March) Sorry about making you wait to get this new newsletter. We are going to have a lot of fun this year, and we will have a blast at the activities. We have a lot of parties, camping, and lots of other fun stuff planned. This year will be awesome because everyone will get a chance to help with planning activities and having tons of fun doing them.

## Out With the Old and In With the New

Last December, we elected new officers to lead out Venturing crew. Our new Crew President is Brianna Choppin. Her Vice President over Administration is Rachel Snider, Matthew Miller is the new Vice President over Program, the Secretary is Sara Bowker, Brittany Choppin is the Treasurer, William Miller is Quartermaster, Ashley Glade is

Crew Guide and Jayden Glade is Historian. (Wow that's a mouth full!)

Oh! And last but not least there are our awesome leaders Liz Miller and Jared (Gator) Glade.

I would like to say thanks to all of the wonderful Crew officers from last year because they did a wonderful job at running the

Crew and planning wonderful activities. THANK YOU SO MUCH!!!!

## Previous Activities

Graham Cracker Pentagon

The previous activities have been a blast!!! In December we had elections and made gingerbread houses. When we made gingerbread houses, we used graham crackers and lots of candy and frosting. The coolest thing was that Spencer, Justin Foote, and Matt made the Pentagon out of graham crackers. It even had gummy bear terrorists and everything! It was amazing. It was very sad because in January there were no crew meetings. Some of us went and helped with the Snow Horse District dinner.

In February we went bowling. It was awesome. We went to Spare Time in Roy and played a few games of bowling. I feel bad for all of those who missed it. Also in February, we had a cooking activity. (that was the last activity) We made 4 recipes. There were calzones, no bake cookies, apple jacks smoothies, and caramel dumpings. We had lots of fun making and eating those fun snacks.

More awesome activities are yet to come this year that we all hope you enjoy.

Well, we have tons of activities planned for the year of 2011. Not all of them will go as planned, so these activities and dates might change over time, so just be aware of that. On March 12th, we will be watching a movie and having a little birthday party for Liz. (March 12th is her birthday) that will be really fun. Be prepared to come and have fun watching a movie and partying.

## Upcoming Events

- On March 26th we are doing photography.
- On April 9th, we are going swimming.
- On April 23rd, we are dying Easter eggs and also doing an Easter egg hunt.
- On April 29th, we are helping serve at the Lions Club spaghetti dinner.
- On May 14th, we are playing tennis.

On May 28th, we are going horseback riding.

Don't forget that these events might change and make sure you keep coming to venturing meetings so that you will know what is going on.
